## **KING ARTHUR CLASSIC CHOCOLATE CHIP** **COOKIE RECIPE FOR BAKING CONTEST**

These homemade chocolate chip cookies are packed with chips and loaded with buttery flavor. They walk the line nicely between crunchy and chewy: the edges are crisp, while the center is "bendy."

Give them a try: They might just be the best chocolate chip cookies you've ever had.

PREP - 12 mins BAKE - 12 mins  
TOTAL - 36 mins YIELD - 36 cookies

### Ingredients

- 2/3 cup light brown sugar, packed
- 2/3 cup granulated sugar
- 8 tablespoons unsalted butter
- 1/2 cup vegetable shortening
- 3/4 teaspoon table salt, (use 1/2 teaspoon salt if you use salted butter)
- 2 teaspoons Pure Vanilla Extract
- 1/4 teaspoon almond extract, optional
- 1 teaspoon cider vinegar or white vinegar
- 1 teaspoon baking soda
- 1 large egg
- 2 cups King Arthur Unbleached All-Purpose Flour
- 2 cups semisweet chocolate chips\*

\*For cookies with extra chocolate in every bite, use up to 16 ounces (2 2/3 cups) chocolate chips.

## Instructions

1. Preheat the oven to 375°F. Lightly grease (or line with parchment) two baking sheets.
  2. In a large bowl, combine the sugars, butter, shortening, salt, vanilla and almond extracts, vinegar, and baking soda, beating until smooth and creamy.
  3. Beat in the egg, again beating until smooth. Scrape the bottom and sides of the bowl with a spatula to make sure everything is thoroughly combined.
  4. Mix in the flour, then the chips.
  5. Use a spoon (or a tablespoon cookie scoop) to scoop 1 1/4" balls of dough onto the prepared baking sheets, leaving 2" between them on all sides; they'll spread.
  6. For enticing salty-sweet flavor, sprinkle a touch of sea salt atop the cookies before putting them in the oven, if desired.
  7. Bake the cookies for 11 to 12 minutes, until their edges are chestnut brown and their tops are light golden brown, almost blonde.
  8. Remove the cookies from the oven, and cool on the pan until they've set enough to move without breaking. Repeat with the remaining dough.
  9. Store cookies, well wrapped, at room temperature for up to 5 days; freeze for longer storage.
- ☑ For a deeper flavor — more toffee/caramel than vanilla — refrigerate the dough, covered, for 24 to 48 hours before scooping and baking. Bake until the Cookies are brown around the edges with just a bit of pale center, about 12 minutes.
